In such instances where a provision applies only to certain categories of employment and not to others, the specific title of the category of the employment shall be applicable and exclusive to said title and category.

SECTION 3. The Union agrees to represent equally all members of the above defined unit.

## ARTICLE II — NON-DISCRIMINATING CLAUSE

SECTION 1. The parties agree to follow a policy of not discriminating against any employee or applicant for employment on the basis of race, color, creed, national origin, ancestry, sex or marital status, or membership or participation in or association with the activities of any employee organization.

SECTION 2. The Board agrees that employment application forms and oral interview procedures shall contain no reference to the applicant's membership in any employee organization.

## ARTICLE III — GRIEVANCE PROCEDURE

The prompt, informal and confidential adjustment of grievances is encouraged and therefore the following procedure to accomplish this purpose is hereby established.

### SECTION 1. DEFINITION

A. A grievance is a complaint by an employee that (1) he has been treated unfairly or inequitably by reasons of any act or condition, including those relative to employee health and safety, which is contrary to established and prevailing policy or practice governing or affecting employees, or (2) there has been

as to him a violation, misinterpretation or missapplication of the provisions of this Agreement or of any existing rules, regulations or order of the Board, or any of the rules, regulations or orders of the New Jersey State Department of Education having the force and effect of law.

B. As used in this Article the Term "employee" applies to an individual employee and also to a group of employees having the same grievance.

C. The Union shall have the right to initiate and process grievances which may be initiated and processed by an aggrieved employee under the provisions of Section 1-A of this Article, and shall have the right to appeal from the dispositive of any grievance at any step.

### SECTION 2. PROCEDURES

A. Representation. In the presenting and processing of grievances, the employee may be represented, at his own expense, by a person of his own choosing, except that he may not be represented by any employee organization or by any officer or representative of any employee organization other than the Union. In the event that a grievance is carried to Step 2, the Union shall be immediately notified.

B. Times for meetings or hearings. The time for a meeting or hearing at all steps other than Step 1, within the prescribed time limit, shall be fixed by mutual agreement. In all cases (subject to the provisions of Step 1 below) a representative of the Union shall have the right to be present and to present the Union's views at each step of the grievance procedure. Any notice to be given by an employee under the provisions of Section 2 of this Article may be given for him with his consent by the Union.

#### STEP 1.

The Employee, and if the employee so desires a Union representative, shall first discuss the problem with his immediate administrative superior, who in the case of employees assigned to a school shall at each step of the grievance procedure be deemed to be the principal of that school.

#### STEP 2.

If the grievance is not satisfactorily adjusted within two (2) school days after the last discussion, the employee may, with the assistance of a Union representative, if the employee so desires, submit it in writing within three (3) school days

after the end of the said two (2) day period to his immediate superior for satisfactory adjustment, but such written grievance must be submitted to such superior in any event within thirty (30) school days following his becoming aware of the act or circumstance giving rise to the grievance. The said immediate superior shall schedule a meeting to discuss the grievance with the employee and a Union representative prior to making his decision, but in any event he shall give his decision in writing with his reasons therefore to the employee, the Union, and the Executive Superintendent within three (3) school days after the written grievance has been submitted to him by the employee.

#### STEP 3.

The employee may appeal to the Executive Superintendent of Schools from the last mentioned decision of his immediate superior within five (5) school days after the decision has been given to the employee and the Union pursuant to the above provisions under the caption "Step 2" by giving to the Executive Superintendent of Schools and to the employee's immediate superior written notice of such appeal setting forth specifically the basis of the grievance. The Executive Superintendent or his designee shall meet with the employee and a Union representative within ten (10) school days after the giving of such notice of appeal, and shall give his decisions in writing with his reasons therefore, to the employee, Union and the employee's immediate superior within three (3) school days after such meeting.

#### STEP 4.

The employee may appeal to the Board from the last-mentioned decision of the Executive Superintendent within five (5) school days after the decision has been given to the employee and the Union pursuant to the above provisions under the caption "Step 3" by giving to the Board and to the Executive Superintendent written notice of such appeal setting forth specifically the basis of the grievance. The Board, or its designated Committee, shall hold a hearing and shall give its decision in writing with their reasons therefore to the employee and the Union within thirty (30) calendar days after the giving of such notice of appeal.

#### STEP 5.

A. In the event a grievance shall not have been settled under the above procedures the employee may have the grievance submitted to binding arbitration by giving, within ten (10) school days after the decision of the Board has been given to the employee and the Union pursuant to the above provisions under the caption "Step 4", to the Executive Superintendent and the Board, the employee's written request for binding arbitration by the procedures and

subject to the provisions below set forth.

B. 1. The arbitration award shall be final and all parties shall abide by the same, and it shall be enforceable under the laws of New Jersey.

2. The arbitration shall be conducted by a tripartite arbitration panel. One member of the panel shall be appointed by the Board and this individual's minimal professional qualifications shall be those of the holder of a principal's certificate. One member of the panel shall be appointed by the Union and this individual's minimal professional qualifications shall be those of the holder of a teachers certificate. The third member of the panel shall be selected by mutual agreement of the first two above named panel members except that any individual so selected shall be a bona fide resident of New Jersey and a member of the National Academy of Arbitrators with a minimum of five years experience as an arbitrator.

The first two named panel members shall be appointed within one week of the ratification of this Agreement. The third panel member shall be selected by the first two within ten (10) days after their selection. In the event that the first two are unable to agree upon the selection of the neutral panel member as described above — either of the two shall call upon the American Arbitration Association to name the third panel member. Any individual so selected shall be required to be a bona fide resident of New Jersey. This panel shall sit for the duration of the agreement. The neutral third panel member shall serve as the Chairman of the Panel and shall arrange the dates, meeting places, and agenda of any and all arbitration proceedings.

Any decision of this Arbitration panel shall be a majority vote, that is, by at least two members of the panel.

The third neutral panel member shall serve until he receives notice of termination of his services by either the Board or the Union. In such a case a new third neutral panel member shall be appointed as described above. Termination shall not affect any grievance upon which a hearing has commenced.

C. The arbitration panel shall be empowered to hear and determine only grievances within the scope of the definition of the term "grievance" under the Section I of this Article. It shall, in the performance of its duties, be bound

by and comply with the provisions of this Agreement. It shall have no power to add to, delete from, or modify in any way any of the provisions of this Agreement. Its decision shall be binding and in writing and shall set forth its opinions and conclusions on the issues submitted. It shall have the power to make compensatory awards, where necessary, to implement its decision.

D. The arbitration panel shall be without power or authority to make any decision contrary to or inconsistent with, or modifying or varying in any way the terms of this Agreement, or applicable law, or rules and regulations having the force and effect of law. Its decision shall not usurp the functions or powers of the Board as provided by statute.

E. Fees and expenses of the neutral arbitrator shall be borne equally by the Board and the Union.

### SECTION 3. GENERAL PROVISIONS.

A. If the decision to be given by any employee's immediate administrative superior, the Executive Superintendent or the Board in accordance with the applicable provisions under "Step 1," "Step 2," "Step 3" above are not given within the respective times by the said provisions specified, the employee shall have the right to proceed with his appeal to the next step, or in the case of the decision specified under "Step 4," to request arbitration, by giving written notice of appeal or request for arbitration within the same time to the same parties and in the same manner as he would be required to give if a decision adverse to him had been rendered on the outside date prescribed above for rendering decisions under Steps "2," "3," or "4."

If the employee fails to submit his written grievance within the time specified in the provisions under "Step 2" above, or if he fails to give within the prescribed time the written notices of appeal respectively mentioned under "Step 3" or "Step 4" above, or if he fails to give within the prescribed time written notice of the request for arbitration mentioned under "Step 5" above, the grievance shall be deemed to have been waived.

Time limits specified in Section 2 of this Article as to things to be done at any step may be extended by agreement between the parties.

Any written notice to be given under Section 2 by the employee to his superior

or to the Executive Superintendent may be given by hand, or by leaving it with a person in charge of the office of such superior or of the Executive Superintendent, or by mailing it by certified mail, return receipt requested, addressed to such superior or to the Executive Superintendent, at their respective offices. Such notice to be given by the employee to the Board may be given by mailing it by certified mail, return receipt requested, addressed to the Board at 2 Cedar Street, Newark, New Jersey, or by leaving it with a person in charge at the office of the Assistant Executive Superintendent for Board Affairs at the same address. Any notice or decision to be given to the employee may be given by hand or by mailing it by certified mail, return receipt requested, addressed to him at his home address as shown in the Board's records. A properly designated representative is a representative whose appointment has been confirmed in writing to the Executive Superintendent by the NTU President.

The activities of the NTU Building Representative shall be confined during the administration period to the school and shall not interfere with the normal operations and activities of the school and its personnel.

**B—ELEMENTARY SCHOOLS**

**1.**

In all elementary schools teachers and other instructional employees shall sign in at the office of the school no later than four (4) minutes prior to the time they are scheduled to be at their assigned stations at the beginning of the school day. They shall be expected to report to their assigned stations as provided below in sub-section 3.

**2.**

Teachers shall be free to leave at their discretion at the end of the school day after their students have been dismissed from the building.

**3.**

The regular schedule of elementary schools shall be as indicated below:\*

**Teachers sign in**

8:34 a.m.	Teachers report to their assigned stations
8:35 a.m.	Pupils arrive
8:45 a.m.	Formal instruction begins
	Lunch period equal to that of students
3:15 p.m.	Classes end — Dismissal
	Teachers sign out as indicated in B—2 above.

\*It is recognized that special circumstances in particular schools may require variations from this schedule. When such cases occur, the specific variations shall be made after negotiations between the Union and the Board, or its designee. However, in cases of such variations, the total hours of service in the school day shall neither be increased nor decreased. The hours of the teachers school day shall be consecutive in all cases.

**4.**

In the case of teachers of part-time classes, the hours of service for those on a morning or afternoon session shall be the same as that specified in Caption "T" of this Section. Instructional time for part-time classes shall be four (4) hours. Teachers shall be entitled to a duty-free lunch period which shall be fifty (50) minutes in duration. In addition to the four (4) hours of instruction rendered to the part-time classes, teachers shall report for teaching or appropriate professional services for one and one-half (1½) hours in the morning or afternoon, fifty (50) minutes of which shall be considered preparation time. The additional service of one and one-half (1½) hours shall be scheduled by the principal in accordance with the specific situations which obtain in each school where such classes are scheduled.

**5.**

Employees shall have those periods during which specialists cover their classes set aside for preparation. All elementary school employees shall have at least two (2) fifty (50) minute preparation periods each week.

**C—SPECIAL SCHOOLS AND SPECIAL CLASSES**

**1.**

In special schools or special classes, the hours of service of teachers shall be the same as that specified in caption B—1 of this Article and Section, except that in any cases where the lunch period is part of the instructional program of the specific class taught by the teacher, and the teaching situation makes

it desirable that the teacher eat lunch with the pupils, and such arrangements have been made by agreement between the teacher and principal, the lunch period shall be included as part of the teaching day and such classes will be dismissed at 2:15 p.m. Said teachers may sign out at their discretion after their students have been dismissed from the building. Adjustments for special schedules and the hours of service of teachers of part-time classes in special schools or special classes shall be set up on the same basis as that in caption B-1 of this Article and Section.

In special schools, all teachers shall receive the same number of preparation periods as provided to elementary school teachers.

#### D-SECONDARY SCHOOLS

1.

Teachers in junior and senior high schools shall be expected to sign in at the beginning of the scheduled school day no later than ten (10) minutes prior to either the beginning of the homeroom period or Period 1, whichever comes first. Teachers may sign out at their discretion after the end of their last assigned period.

2.

As a general guide, junior and senior high schools will begin at 8:30 a.m. for pupils and end at 2:30 p.m. Therefore, a regular schedule for teachers will be:

	Lunch period equal to that of students
2:30 p.m.	Classes end
	Teachers sign out at their discretion after the end of their last assigned period.

3.

Because of special adjustments necessary in the schedule planning of specific junior and senior high schools, variations in the schedule stated under caption D-2 of this Article and Section shall be permissible. In such cases, as early prior to the close of school, but no later than June 1, such variations in schedule shall be negotiated between the Board and the Union. Prior thereto, the prin-

icipal of the specific school and the Union representative for that school shall meet and prepare a schedule to submit to the Union and the Executive Superintendent or his designee. If, after five (5) school days following the delivery of said schedule, neither the Union nor the Executive Superintendent has indicated disapproval, said schedule shall be considered to have been agreed upon by both parties. In the event of a disagreement by either party or both, further negotiations shall be conducted by the Union and the Executive Superintendent.

In cases of such special adjustments, the total number of working hours of a teacher shall in no case exceed those of the schedule contained in caption D-2 of this Article and Section. The hours of the teachers' school day shall be consecutive in all cases.

If a teacher in any school with a special schedule reports after the initial Homeroom period or Period 1 (as the case may be), the teacher need sign in only five minutes before reporting to his first assignment.

Should a teacher fail to report to their assignment one half hour after the official sign-in time that teachers will be considered absent for that day.

3.

All employees are required to work the last scheduled working day before, and the next scheduled working day following the scheduled holiday(s). Failure to report before and after the scheduled holiday shall result in loss of pay for said occurrence. (EXCEPTION: Personal day and extended sick leave.)

##### A. CERTIFICATION

1.

Teachers shall be assigned to teach in their area or areas of State and Newark certification. Even if a teacher is certified to teach in more than one area of certification by the State Department of Education, first consideration in the area of assignment will be based on the Newark certification of such a teacher. The preferences of a teacher with respect to a specific schedule assignment within the area of his certification shall be honored unless circumstances make this prohibitive. However, primary consideration in making any assignment shall be based upon the competency, training and experience of the teacher for undertaking such an assignment.

2.

A regular classroom teacher shall not be required to teach a child with a condition that has been diagnosed and classified as requiring a specially certified teacher under the provisions of Title 18A, Chapter 46 New Jersey Statutes (June 24, 1970) Title 8, Chapter 28, New Jersey Administration Code.

D.

Prior to the close of school in June, teachers shall be notified what their

schedules will be in September. It shall be understood that such schedules are subject to change based upon changed conditions which may occur between the close of school in June and their re-opening in September. If a change is necessitated, the teacher shall be notified forthwith.

E.

In such cases in a school where it is practicable to excuse some teachers from certain specific duties such as homeroom and other special assignments, such exemptions shall be rotated based on equitable standards which shall include the seniority of the teacher, previous exemptions, and the physical health of teachers as factors.

F.

No teacher in a departmental arrangement shall be assigned to more than three consecutive assignments except when emergency circumstances necessitate it or upon the written request of the teacher to the principal of the school. Lunch periods and preparation periods shall not be considered assignments for the purposes of this paragraph.

G. 1

In high schools and junior high schools, no teacher shall be assigned to more than five (5) teaching classes per day unless there is an equal reduction of teaching classes on other days. The preparation period of secondary school teachers shall not be considered a free period. 2.

In cases of emergency, which shall include an unavailability of sufficient, per diem substitutes on a particular day, teachers in any school, elementary, secondary, or special, shall be permitted during their preparation periods, if they so elect to volunteer, to substitute for an absent teacher. Any teacher performing such duties shall be compensated on the basis of one-fifth (1/5) of the per diem substitute rate.

#### SECTION 5 CLASS SIZE.

It is recognized by this Agreement that the Board and Administration have worked to reduce class sizes and that they continue in their determination to have every class in every school reach a class size which is most suitable to the level or area of instruction involved. It is further recognized that until the present building program is completed, it will be extremely difficult to attain optimal class sizes. The agreements on class size contained below are, therefore, temporary and in no way represent anything other than a short-range effort to improve on the present situation.

All class size limits contained in the listings below shall be subject to the exceptions contained in sub-section J marked "Exceptions".

EXCEPTIONS: An acceptable justification for exceeding the maximum class size limitations listed above may be any one or more of the following:

1. There is no further classroom space available in the building which will permit scheduling any additional classes in order to reduce class size, and other school facilities which meet approved standards and are not unreasonably inconvenient are not available.

2. In order to achieve the prescribed class size it would be necessary to

to schedule one or more part-time classes in either elementary or special schools.

3. The Union and administration agree that a class larger than the prescribed maximum is desirable for purposes of experiment with large-group instruction. (The conditions of employment in such cases shall be negotiated.)
4. Team-teaching arrangements are in use which operate under a teacher with the assistance of either additional teachers, teacher-intern, teacher aides or any combination of them.
5. Additional students are added to the school enrollment after March 1.
