

**I Believe in You Grant** – Deadline October 29, 2021

Teachers are vital to the success of our students. With the I Believe in You grant, teachers will demonstrate how they are helping students learn to think critically and solve problems. Grants in the amount of \$1,000 will be issued to every teacher in each school. Grant funds can be used for resource materials, supplies, or technology.

**CONTACT INFORMATION**

Name, Title, School, Grade or Department

**NARRATIVE**

Provide a summary of the project you're proposing. Be sure to include the grade level and the content area to be addressed.

**GOALS**

Describe your project. What are your goals for student learning? How will you measure outcomes? Be sure to include the standards with which you will be linking your work.

**NEED**

What are the student needs for this project? Prioritize academic need, but you should describe sociological, economic, emotional, and/or cultural issues as well.

**ACTIVITIES**

What activities will you and your students engage in to reach your goals? In this description, address how the activities will engage students in critical thinking and problem solving.

**SUSTAINABILITY**

Describe how this project will be sustained beyond the grant period and/or how it provides a model that can be used by other teachers.

**BUDGET**

Provide a line item budget for the proposed work. Your request must total \$1,000. It is recommended that your budget be as cost-efficient as possible. Please ensure that all items are directly related to your proposed work, as your budget will be assessed by how realistic, clear, and frugal it is.

**CRITERIA**

- Principal and/or committee at school completes the review.
- Proposed goals for student achievement are challenging and rigorous
- Proposed work engages students in critical thinking and problem solving
- There is alignment between goals, assessment, activities, and budget
- The project is collaborative and can be sustained in future years and/or adopted by other educators
- Culminating Activity
- Project period: November 15, 2021 – April 8, 2022.
